ESSEX NORTH SHORE

AGRICULTURAL & TECHNICAL SCHOOL DISTRICT

To the Class of 2017,

On behalf of the administrative team, we would like to congratulate you on your graduation from Essex Technical High School.

As the final class to have originated in one of three different high schools, most of you experienced both a merger of three different schools and the opening of a new building, something few high schoolers have had the opportunity to experience. As a class, you have grown as individuals and accomplished a great deal.

Mr. Brad Morgan
Principal

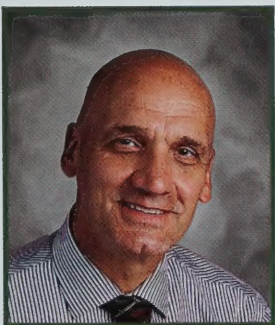

As you prepare for this next chapter in your life, whether it is entering the workforce or continuing your education, it is our sincere hope that the academic, technical, and social experiences you had at Essex Technical High School, have equipped you with the skills necessary to handle adversity, work relentlessly to accomplish your goals, and that you each continue to embrace life-long learning.

We are grateful to have had the opportunity to play a part in your high school experience and wish you the very best of what life has to offer.

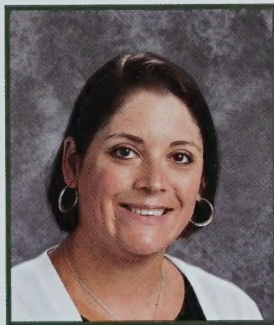

Sincerely,

Dr. Lupini and Mr. Morgan

You know you go to Essex Tech when....

You hear the cows mooing at sport games on the football field

Mr Reickert is my favorite memory. I love that guy.

You see a new face everyday for 4 years

Walking into the new school my first time and making so many new friends

SkillsUSA conferences

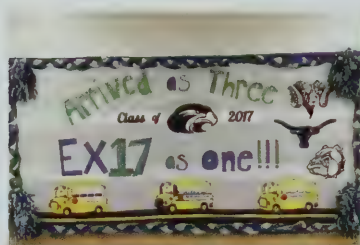

Half the kids smell like manure and the other half smell like motor oil

You forget what lunch you have.

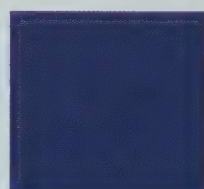

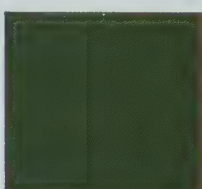

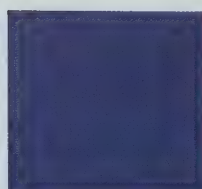

Senior Week

You're angry on days you can't go outside

**Hawk
Holiday
Hope !**

You're out of breath from going to the other end of the school and a different floor.

You don't want to leave

You wear chef jackets to school and no one even bat's an eye.

Freshman Field Day at the Aggie

Fell off a horse, passed out, and broke my elbow.

You have to watch where you step so you don't step in poop.

Our first annual pep rally as the Hawks!

You go to school and get your hair done.

& favorite Essex Tech memories!

You see everyone wearing mismatched socks and crocs

Every FFA State Convention

Cheering at my first football game

Meeting my shop family!

Having Mr. Collins as a teacher

Your shop contains people that you will never forget.

You don't look twice when horses are in the parking lot and people are carrying fake heads in the hallways

You're not surprised when you have a fire drill in the pouring rain because some freshman set fire to the microwave.

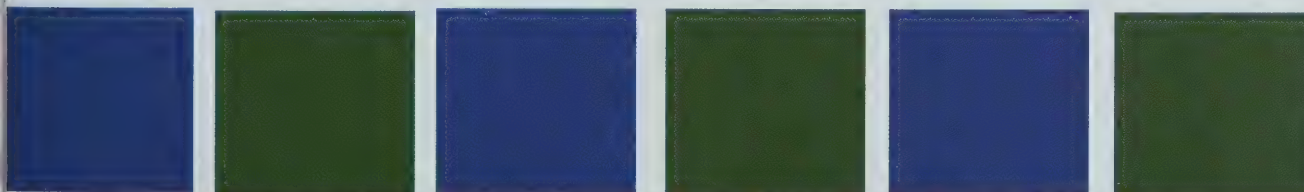

Exploring all shop/CTE areas

You see dogs in the hallways

You see muddy footprints all through the school.

The 1/4 mile walk from A to E academy is a legitimate excuse to be late for class.
